****Any Media Agency to receive and manage the onward delivery of files will need to be set up ready to receive content from Peach****
 Contact your Account Manager or email support.anz@peach.me for assistance

General Notes: Direct to FTA & Foxtel Media	Special Notes: 9Now	
Contact your Account Manager or Peach Support for details on how to correctly deliver to Digital TV destinations	**Sending to Nine Network you will need to select the correct destination as there are 2 options**	*The Digital destinations only accept HD files
The Adops teams at each of the Networks will require additional information included in your dispatch.	9Now Digital will require IO Number/Booking ID, name and email of Network sales contact along with MIs	
The following information is required to successfully complete your Peach order.	9Now Galaxy will require IO Number/Booking ID, name and email of Galaxy contact & completed Galaxy template	
You will need to include IO Number/Booking ID, Campaign name, sales contact name and email, also attach MIs specific to that Network.	9Now Digital is for Online Digital Catch-up only 9Now Galaxy is for both Broadcast & Digital Online Catch Up	**Contact your Account Manager or Peach Support for Social Media delivery options
